Junior High School, General Ricardo Papa Memorial High School

March 2014 – March 2017

Elementary, Eusebio C. Santos Elementary School

March 2009 – March 2014

EXPERIENCE

Internship at Dyninno Philippines, Inc.

Feb 2023 – May 2023

- Collaborated with a team to create a web application for time keeping system.
- Utilized Agile methodologies, including Scrum, to manage project progress and ensure timely delivery of features.
- Developed front-end features using C#, Figma for UI/UX design and for the back-end features using MS SQL.
- Conducted thorough testing of the web application to identify and resolve bugs and issues.
- Presented progress updates and final project deliverables to the executive team.
- Gained practical experience in developing professional-quality software solutions in a team environment.
- Attended in-house training for SAP SuccessFactors Employee Central and Recruiting Modules.
